Boxes

DON'T CUT CORNERS

(Unless they're heart
shaped, of course!)

ADD SOME INTERACTION

Make a simple box much more fun with a game of magnetic tic-tac-toe!

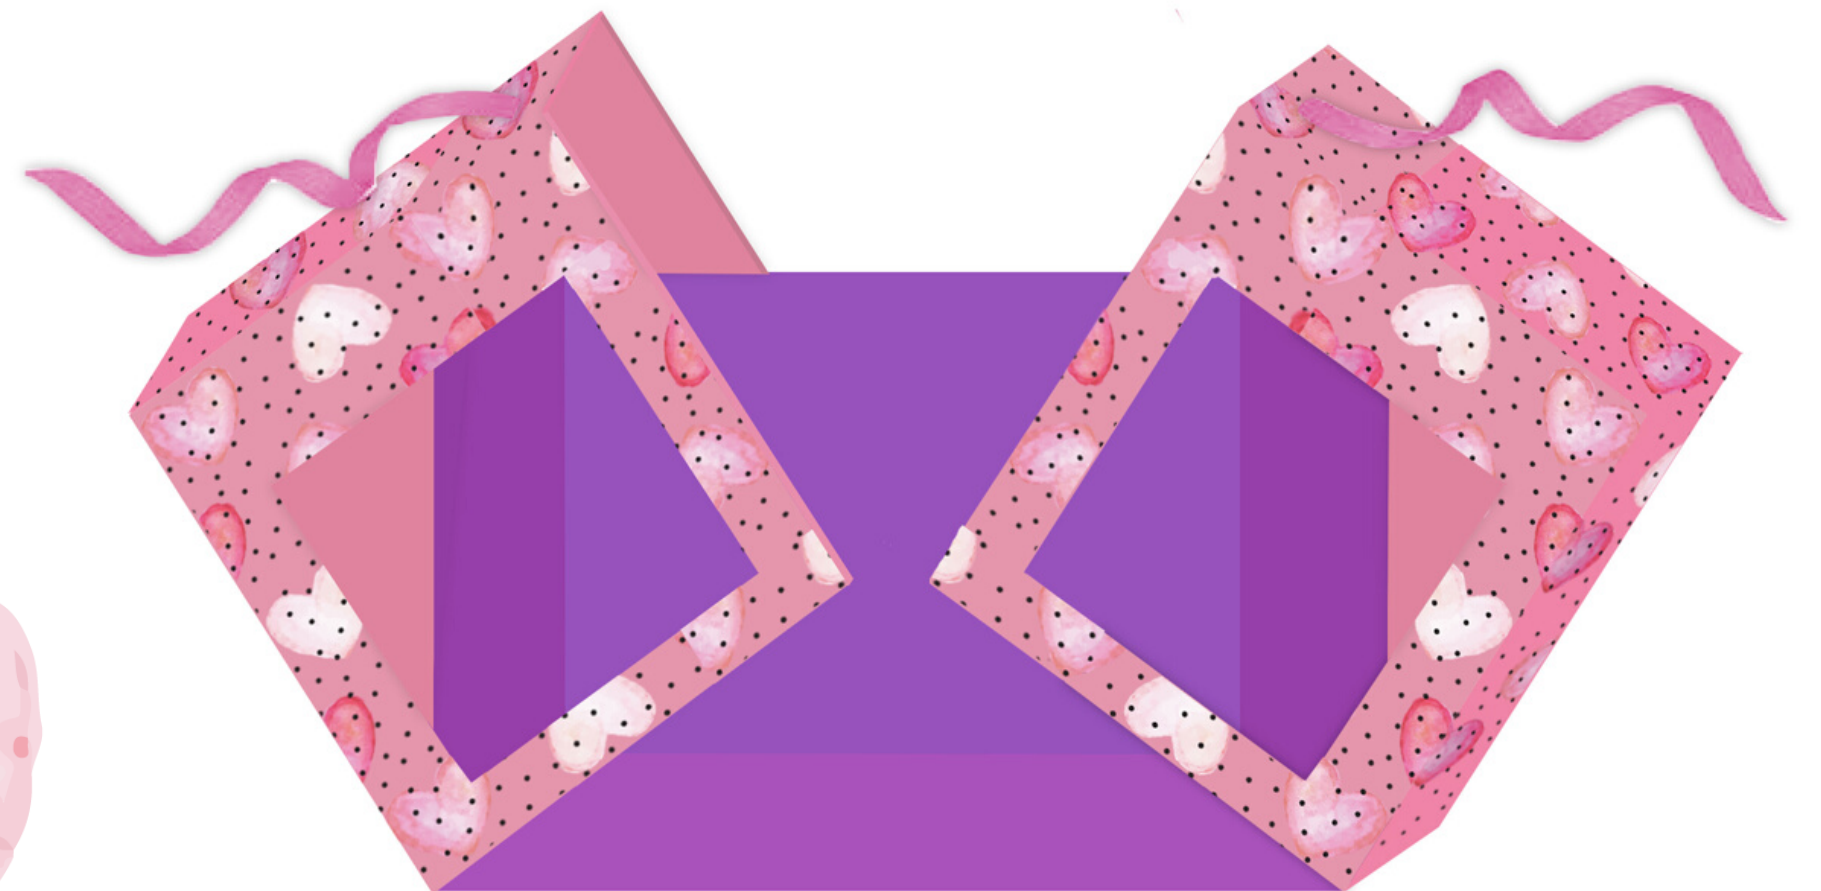

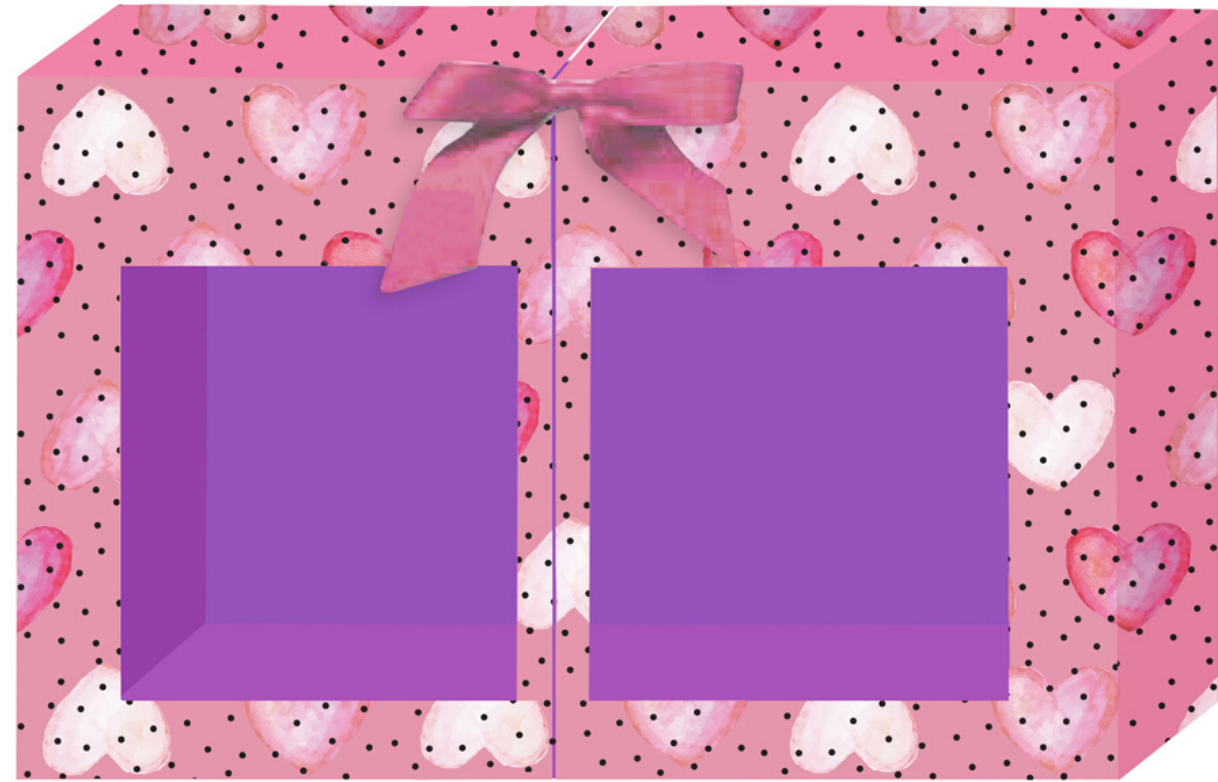

CUT IT OUT

A die cut lid adds interest to a simple folding box.

MAKE IT PRESENTABLE

A box that looks like and opens like a present can be gifted as is.

FINISHING TOUCHES

When in doubt, add a unique ribbon to a heart shaped box.

Tins

FULL TRANSPARENCY

Highlight your product with a large window.

UNDER WRAPS

Easily elevate your tin by topping it off with a pre-tied ribbon.
